1.2 Overview
Business Together with Zoom is comprised of two main components, namely: (a) the Zoom Services, which are provided by Zoom directly to Customer and other Users, and (b) the Service Management Services, which are provided by Orange directly to Customer, as described in Clause 1.5 below.

1.3 Zoom Services
1.3.1 Notwithstanding anything to the contrary contained in the Agreement with respect to the Zoom Services:

(a) Customer will receive the Zoom Services expressly identified in the Order. The Zoom Terms of Service apply directly between Zoom and Customer. Zoom will provide the Zoom Services to Customer in accordance with the Zoom Terms of Service.

(b) The Zoom Services and all Users’ access to or use of the Zoom Services are subject to the Zoom Terms. Orange is not a party to the Zoom Terms.

(c) The Zoom Services only include the features and functionality as provided and made available by Zoom. Zoom may, in its sole discretion and at any time, modify, update, or change the Zoom Services, Zoom Terms, and the software that enables the Zoom Services, provided that Zoom will not materially reduce the core functionality or discontinue any Zoom Services without providing prior written notice thereof to Customer. In the event Zoom does materially reduce the core functionality of or discontinues the Zoom Services, Customer may, as its sole and exclusive remedy, terminate the affected Zoom Services without liability (other than payment of accrued and unpaid charges and fees for Zoom Services and Service Management Services provided through the date of termination) within thirty (30) days of Customer’s receipt of such notice from Zoom.

(d) Zoom is the service provider of the Zoom Services. Orange, acting only as a Zoom-authorized reseller of the Zoom Services, is not the service provider of the Zoom Services and does not provide any portion or component of the Zoom Services. Orange and Zoom are not affiliated entities, partners, joint venturers, or subcontractors of each other. Whenever Orange provides any User with tier 1 support or other assistance regarding the Zoom Services, such assistance is provided through the Orange Service Management Services described in Clause 1.5 below, not through the Zoom Services. All Zoom Services (including service issue resolution, quality of service, customer support, etc.) are governed exclusively by the Zoom Terms.

(e) Orange resells the Zoom Services on an “AS IS” basis and without any warranty (whether express or implied). Orange fully disclaims any and all liability and will not be liable for any damages (whether arising under breach of contract, tort, or any other legal theory) in connection with any claims related to or arising from the Zoom Services. Orange shall not be liable (whether directly or indirectly) to Customer, any Users or any third parties for any Losses arising from or related to the Zoom Services, including any Losses arising from or related to Zoom’s failure to provide the Zoom Services; any breach or violation by Zoom, any User, or any third party of the Zoom Terms or any legal or regulatory requirements applicable to the Zoom Services; any Users’ or any third party’s use of the Zoom Services; any data or security breach related to or arising from the Zoom Services; or any failure of any Zoom Services to perform as promised.
